REBUS STORY

HOLMWOODS EDUCATIONAL

Jack and today it was . He was wearing his and , but he was still a bit . He started to his friend's house.

Jack and Lizzy were soon . Lizzy had a . And together they took turns on the .

It was Jack's turn. It was great fun. around the corners and the steep . But suddenly he heard a  . It sounded like . He looked up and saw a big  rushing the towards him. , he heard Lizzy screaming, and then the was on top of him.

Jack was knocked  and the side of the . Everything was and then it all went and he stopped moving. He was still on the , but it seemed to be on top of him, with his underneath.

Lizzy saw the and screamed as as she could. It was too late, the  hit Jack, and he disappeared  and down the . The stopped moving and she to where she had last seen Jack. Then she looked down the . She could just see the top of the , but she couldn't see Jack. The was deep, but she got to the and started digging with her . There under the was and then, yes it was Jack .

"Jack," she screamed " "
